# The Head Girl Team

Layla  
Nichols

Hiya everyone, just wanted to say one last big thank you to you all for making the last two years so much fun!

It's been an honour to be Head Girl and I hope you feel that I have done a good job. It was not without its stresses but I wouldn't have changed that for the world.

From our many fancy dress days, to the near-disastrous paintball trip (we didn't mean to leave you at the services Milly!) you have all made our events so memorable.

Good luck with your A-Level results, and be sure to keep in touch!

Lots of love,

Layla  
xx xx

Bailey  
Noble

So we have finally made it to the end of sixth form! There were times where we all (and our teachers) probably thought it would never happen, but yet here we are.

I hope you all enjoy the yearbook, Layla and I have worked very hard to make sure that everybody is featured, and I'm sorry to anyone who we have hassled constantly to upload photos and comments!

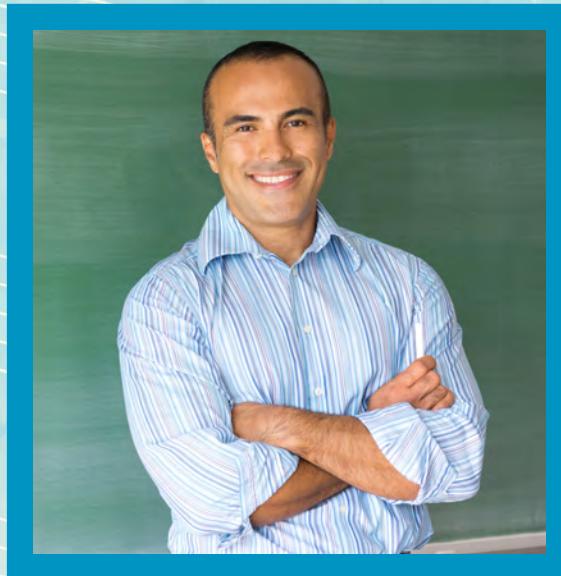

Thank you all for such a fun year, it has been an absolute pleasure to be part of your head girl team and I will never forget my time here at sixth form.

Love and hugs,

Bailey  
xx xx

# The headteacher

It doesn't seem possible that it's been 5 years since you all arrived at the school gates.

Those fresh faced, eager to learn year 7's who blossomed over the years into commendable young adults. You have achieved many great things over the years- from sporting success to art school scholarships, I know I speak on behalf of all the staff here when I say we couldn't be prouder of you!

During your time here, you will have had many ups and downs I'm sure. We all experience this at some point or another but watching you band together to support one another has been a real joy. The friendships you made here will hopefully go on to become life-long support networks for you in the years to come. Whilst it may be hard to stay in touch with one another; always do your best to bridge the gap where you can to ensure you don't drift apart.

Well, thank you all for being a delightful group of characters and we'll see you all on Results Day!

I can't believe the time has come to say goodbye to you lovely lot! I can still remember you all walking in on your first day (which was my first day too!).

If there is only one thing you remember from your time here, I hope it is that success takes hard work and determination, something each and every one of you is capable of!

# *Mr Williams*

## Deputy Head

So long! Good luck in the future to all of you. I am sure you will all be successful in whatever you choose to do.

I hope your years here have taught you all the skills you will need as you move on to university or employment. You have been an extraordinary year group and certainly one we will never forget!

# *Mrs Mully*

## Head of Sixth Form

It's been a memorable couple of years to say the least. We've had highs and lows, but I have no hesitation in saying that you are one of the most hard-working year groups we have seen at the school for a very long time!

The memory that sticks in my mind is the famous fancy dress day of Christmas 2017 - when 20 of you all turned up dressed as Mrs Hart (boys included)!

# *Mr Benton*

## Learning co-ordinator

It's safe to say I'm the teacher you really don't want to have to see during your time in sixth form - it usually means your predicted grades are slipping, or you've missed one too many deadlines.

But regardless of that fact you have always greeted me with a smile and a laugh, and I wish you all the best for the future.

Can you guess who is responsible for each of these juicy secrets?

I pretended to have an ear infection to avoid swimming lessons all year

I told everyone I was late to my exam as the bus broke down... I just forgot to set my alarm

I would always bring a spare pair of clothes with me to school in case I saw somebody wearing the same as me

My stepdad worked at the school but I pretended not to know him for the first two weeks he was there

I once brought a ready meal into a food tech lesson... it was safe to say everybody loved my lasagne

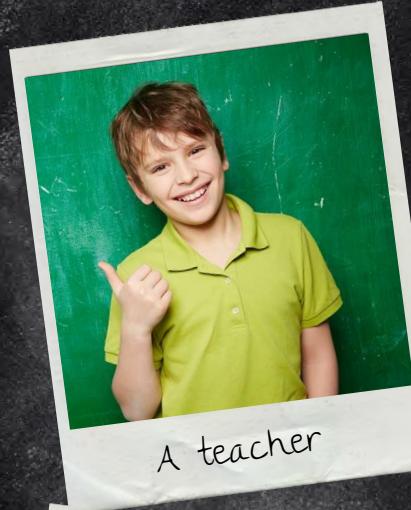

I was the person who posted a love letter in Josh's locker everyday for the whole of year 11 but I let everybody think it was somebody else

# Orlando Trip

## February 2018

### by Alexia Gooding

In February, 30 lucky Travel and Tourism GCSE students were given the opportunity to travel to Orlando in Florida for 10 days of conferences about the tourism industry.

Whilst there, the students were given lots of free time to spend at Disneyworld - so here are the highlights of our trip report!

## Travel day

Eek! It's travel day! Our flight was at 11am and lasted for 8 hours - leaving us plenty of time to sleep and watch films on the flight.

We landed at 7pm UK time, which meant it was only 2pm in Florida.

After our coach journey to the hotel we had a quick swim in the pool before the jet lag hit and we went to bed, ready for a day of fun in the morning.

## The conferences

Although we were all so excited about the theme parks, the main reason we were here is to listen to series of talks about the tourism industry in Orlando.

We listened to various experts and employees who all gave us great insight about working in Orlando's theme parks and tourist attractions. There were Q&A sessions as well as presentations about all the different work experience schemes that were going on in the area.

## The theme parks

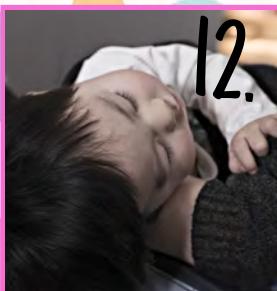

Over the 10 days we got to visit the many different theme parks at Disneyworld.

While some of the group took advantage of the thrill rides on offer (Space Mountain was a favourite), others took part in a behind-the-scenes tour of Magic Kingdom.
